

Special Games

Chances Special

Progressive game played as 3 hard lines in 27 numbers or less. If the pattern is not achieved in the required number the game continues on for a consolation prize which will be determined based on the sales for that specific game. Once the progressive amount reaches \$25,000 there is a '2nd Chance' component added. The '2nd Chance' amount available to be won is \$5,000 with the numbers required to win increasing by one every day until won.

Played on a 3up card for \$2.00

Number Up Special

Progressive game played as a full card in 48 numbers or less. Three wild #'s are drawn at the start of the day and remain the same all day. If the pattern is not achieved in the required number the game continues on for a consolation prize which will be determined based on the sales for that specific game. The numbers required to win increase by one every Monday regardless of the amount available to be won.

Played on a Sealed 3up card for \$2.00

Jackpot Special

Progressive game played as a full card in 48 numbers or less. If the pattern is not achieved in the required number the game continues on for a consolation prize which will be determined based on the sales for that specific game. Once the progressive amount reaches \$30,000 there is a 'Bonus Jackpot' component added. The 'Bonus Jackpot' amount available to be won is \$10,000 with the numbers required to win increasing by one every three days until won.

Played on a 3up card for \$2.00

Special Games

Odd/Even Special

Special game played as a full card. Odd or Even is determined at the start of each session.

Played on a sealed 1up card for .50¢

Big Extra Special

Special game played as a full card. Odd or Even is determined at the start of the game.

Played on a 3up card for \$1.00

Bonus Bucks Book

Series of 5 games of games played 4 times daily. A community card containing all 75 numbers is displayed on the electronic readerboard. In addition to the regular prize payout for the game, Player(s) will receive a free play 'Bonus Bucks' coupon if the number they bingo on has not been previously covered on the community card. If the number covered completes any of the designated patterns the player(s) will also receive the bonus prize amount allocated to each pattern. In the event of multiple winners the bonus prize amount will be split equally amongst all eligible winners.

Cover a number = Free 'Bonus Bucks Book' coupon

2 lines (on any card) = \$50.00

Blackout (on any card) = \$100.00

Blackout (last number on all three cards) = \$500.00

Played in a 5pg 6up book for \$5.00
